Receiver/Termination Trustee's Notice of Distribution Post-Closing

July 29, 2026

Dear Unit Owners, Lenders and Other Interested Parties:

This Notice is provided by the Receiver/Termination Trustee in *Daniel J. Stermer, as Receiver of the Heron Pond Condominium Association, Inc. v. Heron Pond Condominium Association, Inc., et al.*, Case No. 0:25-cv-61909-RS (S.D. Fla.), to confirm that the sale of the Heron Pond Condominium Property to Pines Village Owner, LLC an affiliate of Integra Real Estate, LLC **closed on July 22, 2026**, pursuant to the Sale Order (as affirmed by the Eleventh Circuit and now final and non-appealable) and the Plan of Termination.

At Closing, wires to Lenders and Judgment Creditors/Lienholders were transmitted through Stewart Title, the title/escrow company, in accordance with applicable payoff figures and the distribution priorities established by the Plan of Termination.

Distribution checks to Unit Owners were sent to the addresses on file. The Termination Trustee has finalized and issued all Unit Owner distributions for those Unit Owners who prepared, completed, and submitted the required FIRPTA documents. Distributions for Unit Owners who have not prepared, completed, and submitted the required FIRPTA documents are being held until the Unit Owner(s) submits same.

The attached Notice of Distribution Post-Closing reflects the final distributions, incorporating slight adjustments made at Closing (including final tax prorations and other expenses).

The Termination Trustee sincerely appreciates the patience and cooperation of all Unit Owners and interested parties throughout this process. The Closing marked the conclusion of a lengthy proceeding, and it is our hope that this resolution allows each Unit Owner to move forward with certainty and finality.

If you have questions, please contact the Termination Trustee's professionals at the following: brich@bergersingerman.com and/or mniles@bergersingerman.com.

Sincerely,

/s/ Daniel J. Stermer

Daniel J. Stermer
Receiver/Termination Trustee
